## Our values and principles

### Slow Travel:

**Quality over Quantity:** To ensure intimacy and connection, our groups never exceed 10 travelers.  
**The "Wave" Principle:** Our programs are designed to balance exploration, nature, and rest ensuring a smooth flow without exhaustion.

### Sustainability & Local Immersion:

**Local Stays:** We choose accommodations managed by locals (like Siwa and Nubian homes) to support the local economy and offer an authentic lifestyle.  
**Local Guides:** Our guides are the children of the land; they tell the story of the place from a perspective of truth and cultural depth.

### Personalized Empowerment:

**Details Matter:** Your comfort is our priority. We record your dietary preferences or allergies in advance and cater to them throughout the trip without you ever having to ask twice.

### Diversity & Inclusion:

Our trips are suitable for all ages and we welcome everyone (families, friends, or solo travelers) in a safe environment that respects diversity and makes lasting friendships.
